

In the Last Days

[Spoken Intro]

In the last days...
Perilous times will come.
But those who turn to Jesus
Will know where their help comes from.

[Verse 1]

In the last days,
Perilous times will come.
People won't care
About what is to come.

They'll spend too much time
Thinking of themselves—
Proud and boastful,
Wanting more and more.

Disobedient, disrespectful,
When they don't get their way,
Their hearts become hateful,
And their love will fade away.

Without a doubt,
We need to figure this out
Before the final warning sounds.

[Pre-Chorus]

God wants you to know
That He loves you.
God wants you to know
That He can change you.

Just turn to Jesus—
He's the One.
He will love you
Like you're the only one.

[Chorus]

In the last days,
Don't turn your eyes away.
In the last days,
Get down on your knees and pray.

In the Last Days

When the seals are broken
And the floodgates open wide,
Hold on to Jesus—
Let Him be your guide.

In the last days,
When the darkness fills the sky,
Keep the faith, learn to forgive,
Keep His love alive.

Perilous times will come,
But you don't have to run.
Just turn to Jesus—
He's the One.

[Verse 2]

People will love money
More than they love God.
People will lie
And quickly break their word.

Reckless and high-minded,
Loving pleasure more than God,
Refusing to remember
Every warning they have heard.

No way to know,
No way to grow,
When you turn away from God.

But it's not too late
To show that you care—
Get down on your knees in prayer.

[Pre-Chorus 2]

Pray and be concerned,
Pray and beseech God.
Pray for Jesus
To help you stand.

Pray that God the Father
And Jesus Christ His Son
Will live and work inside you
Until the race is won.

In the Last Days

[Chorus]

In the last days,
Don't turn your eyes away.
In the last days,
Get down on your knees and pray.

When the seals are broken
And the floodgates open wide,
Hold on to Jesus—
Let Him be your guide.

In the last days,
When the darkness fills the sky,
Keep the faith, learn to forgive,
Keep His love alive.

Perilous times will come,
But you don't have to run.
Just turn to Jesus—
He's the One.

[Verse 3]

Some people will accuse you;
They despise what is good.
Their hearts become like stone,
And they will not forgive.

They believe in a god
Of their own making,
But they do not know the power
Of our Father God.

They do not know Jesus,
The King of Kings,
The One who will return
And change everything.

In the last days,
Always learn to forgive.
Model Jesus Christ
In the life that you live.

[Bridge]

In the Last Days

Don't be deceived.
Don't turn away.
Sin will lead you
Down the wrong way.

Sin will steal
Your faith away.
Sin will separate you
From your God today.

Ask God for mercy
Through the blood of Christ.
Ask Jesus to help you
Live a righteous life.

Learn to forgive.
Learn to love.
Learn to grow.
Look up above.

Learn to choose
The way that is true.
Let the heart of Jesus
Live inside of you.

[Breakdown]

God will never tempt you to fall,
But the Devil wants you to stumble.
When your own desires pull at your heart,
Call on Jesus and remain humble.

Pray always—
I say, pray always!
Pray always—
Throughout all your days!

In the last days,
Don't be deceived.
Turn away from sin
And always believe!

[Final Chorus]

In the last days,
Perilous times will come.

In the Last Days

In the last days,
It will affect everyone.

But Jesus Christ
Will come again.
The King of Kings
Will reign without end.

In the last days,
You don't have to be afraid.
Keep your eyes on Jesus;
Walk the righteous way.

Learn to forgive.
Learn to love.
Let your old life be done.

In the last days—
Jesus is the One!

[Outro]

Pray always—
I say, pray always.
Hold on to Jesus
Throughout all your days.

In the last days...
In the last days...
Perilous times will come—

But Jesus is the One!

In the last days!
