

God hears and He cares

[Intro]

God hears and He cares
God hears and He cares
Before my prayer has found its words
My Father knows it's there

He knows what I need before I need it
God know what I want before I want it
God hears my hear and He cares about me.

[Verse 1]

Sometimes all I bring is silence;
Sometimes sorrow steals my voice.
Sometimes all that I can whisper
Is His name above the noise.
But He understands the aching
That no sentence can explain;
He can hear a heart that's breaking
And remember every tear of pain.

[Chorus]

God hears and He cares
Every burden, every prayer
I am never crying alone
My Father meets me there
Though the answer may take time
I will trust His faithful care
God hears and He cares
God hears and He cares

He knows what I need before I need it
God know what I want before I want it
God hears my hear and He cares about me.

[Verse 2]

He who feeds the smallest sparrow,
He who clothes the fields in bloom,
Will not overlook His children
When the shadows fill the room.
If He knows each bird that's falling
And the number of my hairs,
Then no trouble is too hidden -
God hears, and He cares.

[Chorus]

God hears and He cares
Every burden, every prayer
I am never crying alone

God hears and He cares

My Father meets me there
Though the answer may take time
I will trust His faithful care
God hears and He cares
God hears and He cares

He knows what I need before I need it
God know what I want before I want it
God hears my heart and He cares about me.

[Verse 3]

I may need to wait a little;
He may open some new door.
He may lead me through the valley
Where I learn to trust Him more.
This life still has its sorrows;
Not all answers will be clear.
But He promised not to leave me;
Through it all, my God is near.

[Bridge]

Jesus knows our human weakness
He has walked this road of pain
He now lives to intercede for us
No faithful prayer is vain
By Your Spirit, help my weakness
When I don't know what to pray
Father, let Your will be done
And lead me in Your way

[Chorus]

God hears and He cares
Every burden, every prayer
I am never crying alone
My Father meets me there
Though the answer may take time
I will trust His faithful care
God hears and He cares
God hears and He cares

[Quiet Refrain]

He hears the prayer I cannot speak.
He gives me strength when I am weak.
He knows my heart; He knows my name.
His faithful love will never change.

[Final Chorus]

God hears and He cares

God hears and He cares

Every burden, every prayer
I am never crying alone
My Father meets me there
I will trust His perfect wisdom
I will rest within His care
God hears and He cares
God hears and He cares

He knows what I need before I need it
God know what I want before I want it
God hears my hear and He cares about me.

[Outro]

He knows my voice
He knows my name
God hears and He cares
God hears and He cares
