

# God Loves You

## **[Intro]**

God loves you, He really loves you  
He gave His Son to show you so  
God loves you more than you know

## **[Verse 1]**

You may believe you've gone too far  
That God could never want your heart  
You may look back with deep regret  
His mercy calls you home instead

God loves you, God loves you,  
God loves you; God loves you,  
God loves you, Don't you know  
God loves you, God loves you,  
God loves you; God loves you,  
God loves you, He wants you to know

He does not love the sin we choose  
Or want to watch His children lose  
He calls us from the wrong we do  
Because He truly does love you

## **[Chorus]**

God loves you, He really loves you  
More than you know  
He sent His Son  
To show you so  
No matter where you've been before  
Come home and walk through mercy's door  
God loves you  
This much is true  
Jesus gave His life for you

# God Loves You

## **[Hook]**

God loves you, He really loves you  
God loves you, more than you can know  
He gave His Son to show you so  
God loves you more than you know  
With Jesus in your heart Gods love will grow and grow

## **[Verse 2]**

God's love reached down to seek the lost  
And Christ Himself has paid the cost  
The precious blood of Jesus Christ  
Was freely given for your life

God loves you, God loves you,  
God loves you; God loves you,  
God loves you, Don't you know  
God loves you, God loves you,  
God loves you; God loves you,  
God loves you, He wants you to know

Repent and turn your life around  
Come build upon the solid ground  
Be baptized, washed, and made anew  
And let God's Spirit work in you

## **[Chorus]**

God loves you  
More than you know  
He sent His Son  
To show you so  
No matter where you've been before  
Come home and walk through mercy's door  
God loves you  
This much is true

God Loves You

Jesus gave His life for you

**[Bridge]**

His love is not permission

To keep on living wrong

His love is transformation

That makes the spirit strong

His commandments are not burdens

They teach us what is true

The Father gives correction

Because He cares for you

God loves you, God loves you,

God loves you; God loves you,

God loves you, Don't you know

God loves you, God loves you,

God loves you; God loves you,

God loves you, He wants you to know

**[Final Chorus]**

God loves you

More than you know

He sent His Son

To show you so

No matter where you've been before

Come home and walk through mercy's door

God loves you

This much is true

Jesus gave His life for you
